### CENTERS OF LEARNING FINANCIAL POLICY

**TUITION:** Centers of Learning's tuition is an annual amount and can be paid in one of two ways:

- In one lump-sum payment before August 10, in which case a \$150 discount will apply (excluding extended care and any additional child discount).
- Monthly Installment Plan:
  - For Preschool/Pre-K, annual tuition is spread out over 12 monthly installment payments.
  - For K-12<sup>th</sup> Grades, annual tuition is spread out over 11 monthly installment payments.

*The first monthly installment payment for all grades is due August 10, 2010.* For Preschool/Pre-K, the last installment payment is due July 10, 2011. For K-12<sup>th</sup> Grades, the last installment payment is due June 10, 2011. All tuition accounts established after August 10, 2010, will require payments over a shorter term with higher monthly payments.

**All** monthly installment payments will be handled through SMART Tuition Management Services by automatic withdrawal from the parent's bank account. Centers of Learning does not bill for tuition directly, only via SMART Tuition Management Service. A \$43 annual fee per family is charged by SMART and is collected by Centers of Learning, along with the other registration fees. A \$50 processing fee will be charged for any changes to your SMART account, including adding or deleting after school program classes or extended care, after the initial setup.

**REGISTRATION FEES:** Registration fees must be paid before the child can start school. These fees are non-refundable. If the student has enrolled, and for any reason does not enter school in September, then all registration fees are forfeited.

**LATE REGISTRATION FEE:** Registration fees for continuing students are due no later than March 31, 2010. Fees for new students are due no later than 2 weeks following acceptance. Registration received after this due date is subject to a \$150 late registration penalty.

**LATE PAYMENT FEE:** A \$50 fee is assessed if a tuition payment is received after the 20<sup>th</sup> of the month, and is automatically deducted from the parent's bank account by SMART.

**PAST-DUE ACCOUNTS:** A tuition account which remains delinquent as of the last day of the month will result in the student's suspension from class until the balance is paid. Special circumstances will be considered by the Administration on an individual basis. Tuition accounts must be current, and all charges must be cleared before report cards, transcripts, or diplomas are issued, or students are re-enrolled for the new school year. Past due accounts are automatically subject to collection proceedings.

**TUITION ASSISTANCE:** Limited tuition assistance is available to students based on family need and student's academic standing. Contact the school office for further information.

**RETURNED CHECKS:** To offset additional banking charges and processing expenses incurred, a \$40 fee will be assessed on all returned checks.

**STUDENT WITHDRAWAL:** Tuition is computed on an annual basis. **If for any reason a student withdraws during the school year, parents are responsible for the remainder of the year's tuition. Attendance during any part of the school year requires payment for the entire school year.**
