CENTERS OF LEARNING FEE SCHEDULE AND FINANCIAL POLICY 2018-2019 SCHOOL YEAR

TUITION: Centers of Learning's tuition is an annual amount and can be paid in one of two ways:

1. Lump-Sum Plan: due before August 10, 2018 (no exceptions) in which case a \$153 discount will apply to the total lump-sum tuition amount.
2. Monthly Installment Plan: For Toddler, Preschool, and Pre-K, the annual tuition amount is spread over 12 monthly installment payments, beginning in August. For K-12th grades, the annual tuition amount is spread over 11 monthly installment payments, beginning in August.

The first monthly installment payment for all grades is due August 10, 2018. For Toddler, Preschool, and Pre-K, the last installment payment is due July 10, 2019. For K-12th grades, the last installment payment is due June 10, 2019. (All tuition accounts established after August 10th will require payments over a shorter term with higher monthly payments.)

All monthly installment payments will be handled through SMART Tuition Management Services by automatic withdrawal from the parent's bank account. Centers of Learning does not bill for tuition. This is done only through the SMART service. A \$50 annual fee per family is charged by SMART and is collected by Centers of Learning, along with the other registration fees.

REGISTRATION FEES: Registration fees must be paid before the child can start school. These fees are non-refundable. If the student has enrolled, and for any reason does not enter school in September, then all registration fees are forfeited. If the student has attended classes and for any reason decides not to continue at Centers of Learning, parents are responsible for the entire remaining year's tuition. Registration fees are due April 11, 2018 for all re-enrolling students. Registration fees received after the due date are subject to a \$225 late registration penalty.

LATE PAYMENT FEE: A \$60 late fee will be assessed if a tuition payment is received after the 20th of the month and will be automatically deducted from the parent's bank account by SMART. Individual banks may assess additional overdraft charges.

PAST-DUE ACCOUNTS: A tuition account which remains delinquent or blocked as of the last day of the month will result in the student's suspension until the balance is paid or the account is unblocked. Special circumstances will be considered by the Administration on an individual basis. All charges must be cleared before report cards, transcripts, or diplomas are issued or students are re-enrolled.

RETURNED CHECKS: To offset additional banking charges and processing expenses incurred, a \$50 fee may be assessed on all returned checks.

CREDIT CARD PAYMENTS: A 2.85% processing fee will be assessed on all tuition/registration fees paid by credit card.

STUDENT WITHDRAWAL: Tuition is computed on an annual basis. If for any reason a student withdraws after tuition payments begin for the school year, parents are responsible for the entire year's tuition. Attendance during any part of the school year will require payment for the entire school year.
